📍 Ho Chi Minh, Vietnam

SUMMARY

- With an open mind, excellent analytical ability, honest and self-conscious. I can confidently solve any situation. I have 3 years of experience and have participated in 5 projects as an IOS developer. In the short term, I need to improve my technology skills to the max and be able to manage a small team. Towards the long-term goal, I can manage a large team and contribute ideas to the company's development.

EDUCATION

2017 - 2021

SOFTWARE ENGINEERING

Ho Chi Minh City University of Science

- Good degree.
