Model License Agreement

1. Definitions

The model under this Agreement refers to the free model released publicly by vivo (vivo Mobile Communication Co., Ltd.) for the purpose of developer learning and non-commercial use.

2 Grant of license

Subject to the terms and conditions of this license, you are hereby granted a non-exclusive, worldwide, non-transferable, non-sublicensable, revocable, and free copyright license.

The above copyright statement and this permission statement shall be included in all copies or important parts of this model.

3. Restrictions

You shall not copy, modify, use, or publish part of or all derivative works of this model for any illegal purpose.

You shall not use this model in any situation that requires permission without obtaining procedural permission from your country or region (such as necessary review or filing).

4. Disclaimer

This model is provided "as is". For technical reasons, **we do not provide any express or implied warranties, including but not limited to the warranties of security, stability, merchantability, fitness for a particular purpose and non-infringement. We also do not assume any form of responsibility for this model and the content output and generated based on this model.**

We may also **modify or remove this model at any time for various reasons without advanced notice.** You should not rely on this model to implement related behaviors.

5. Complaints and feedback

If you find that this model is illegal or inappropriate, please contact us and we will deal with it as soon as possible.

6. Dispute settlement

The formation, validity, interpretation, performance, modification and termination of this Agreement, the use of this model and the settlement of disputes shall be governed by the laws of the Chinese Mainland (excluding Hong Kong, Macao and Taiwan, for the purpose of this Agreement only), excluding application of conflict of laws. Any litigation or dispute shall be under the jurisdiction of the Dongguan No. 2 People's Court in Guangdong, China.
